

June 2010

Dear Bob,

On behalf of Monmouth Regional High School Project Graduation, co-chair Debbie Houser and I both thank you very much for your very generous donation from AUSA to our program.

AUSA has been very generous with MRRHS, and this donation is one more shining example. Your contribution will help fund the post-graduation festivities, which include an entire night of fun, entertainment, ^{and} music, as well as tee shirts, mementos, and other elements to give our graduates a safe, fun-filled environment to celebrate their achievement with their friends and classmates.

Your donation is a significant factor in helping us accomplish our goal.

Thank you again for helping ensure Project Grad's success!

With sincere gratitude,
Rachel Bogan
